February 2019 NEWSLETTER

Welcome back

To *Dancing, Friendships and FUN.*

It's been a long break since the Concert last December so we thought we would bring everyone up to speed with studio happenings over the break. We hope you have a great year of dancing and enjoy every minute of it.

Our 2018 Concert was at Parramatta Riverside Theatre and the venue was again outstanding but more importantly our dancers were spectacular. WELL DONE!!! The theme for the concert was "The Great Showmen" where our dancers showcased a number of different styles in dance and music. The routines, costumes and performances were a credit to everyone involved.

Photos are still available online at www.rgphotography.com.au password to access photos is CLOWNS.

Our End of Year Trophy Presentation Day was a huge success at Greenacre Public School. The trophies as usual bringing a big smile to every student's face. Everyone worked so hard throughout 2018 and this reflected by all the fantastic results in exams, awards and our fabulous concert. Trophies are still available for students who were unable to attend Presentation. We hope you are all looking forward to 2019 with as much excitement and enthusiasm as we are!

COMPETITION/TROUPE

All our competition/troupe teams worked incredibly hard last year and the results they achieved reflected that hard work. Going up against many teams they still held their own, made us proud and placed well in all their entries. (Lots of Trophies won) If you are interested in trying out for Troup/competition teams, please see your studio co-ordinator. All competition team members MUST be committed to attend Saturday classes at Punchbowl as this is the only day and location for these particular classes.

TEACHER NOTES

Our teachers have requested that all students please bring with them to all class a small "Dance Journal". This only needs to be a small exercise book for the students to use to take notes and keep as reference, to help them retain information to use at home while they practise.

MERIT CERTIFICATES

For all those new students and a reminder to our older ones too! Don't forget to get your merit certificates signed and marked off by your studio co-ordinator AND to keep them in a safe place (Don't lose them!!!)

Once you have collected 4 (Yellow 2019) awards, bring them into your studio co-ordinator and you will be awarded a medal from your class teacher!

This is a great motivator for our students to keep practising, trying their hardest and giving it their all in effort and attitude!
