

Performing Arts Studio

Incorporating SANDRA FLEETON PRODUCTIONS

IMPORTANT INFORMATION OCT 2020

IMPORTANT DATES

Please put these dates into your diary

From Saturday 28th Nov - 4th Dec. DRESS REHEARSAL WEEK

Sat. 12th Dec - FILMING DAY ALL CLASS ROUTINES

12th Dec - PHOTO'S WILL BE TAKEN AFTER EACH ROUTINE

12th Dec - Trophy Presentation will be filmed

Costumes

Hire payments for costumes are due now. We understand that Covid has affected everyone this year and therefore have tried to make it easier by using SFPs amazing costumes. A list of costumes and costume requirements for each class are displayed at each studio. Please take note of this and ensure that your child has all that they will require by dress rehearsal week (Sat. 28th Nov – Fri 4th Dec). All hats and wigs MUST have tan elastic attached and all students MUST have a pin box for both dress rehearsal week and concert. (we have some for purchase at the desk)

Please note that no student will be allowed to take costumes until Hire payment is received and must be returned on the day of filming in bags provided so they can be cleaned.

Dress Rehearsal week starting from Sat 28th Nov- Fri 4th Dec

On each of these days during their normal class times (unless told a different time) students will be required to bring their costumes in a costume bag clearly marked with their names on every part of their costume including shoes & tights. The teacher will tell them when to get changed into their costumes. Please try to have their hair done too so their hats will fit on correctly. No need for make-up on during rehearsal. Check if your child needs to have their shoes painted or cleaned. (dark camel for tan shoes) All HIRED costumes will be returned on the Filming day packed correctly.

As we are still in covid restrictions we cannot allow parents into the studio to watch the rehearsals.

Concert Day Saturday 12th December 2020

All performers will be given a note or check on our face book private page telling them what time they will need to arrive at our Punchbowl Studio with full make-up on and hair done and dressed in their first costume ready for filming.

No students will be allowed to leave during their filming time, so please ensure that you pack a light snack and drink (preferably water) for them. Melina will be making her famous toasties and salads so please place orders prior to this day. We will be filming the younger students first, so they won't be required to stay all day.

As we are still in covid restrictions we cannot allow parents into the studio to watch the filming or photos.

CONCERT FILMING LINK

We have employed a professional company to film our concert. This information will be provided to the students on the day of filming 12th Dec 2020. Our Showcase package will include the New Collectable T-Shirt, Video Link and Trophy. The cost \$80 per student and \$60 for each sibling.

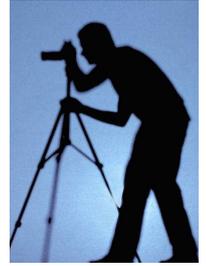

PHOTO'S ONLINE ORDERS

This year we will be again taking photos on the 12th of Dec for ONE DAY ONLY during the performance. This will allow the teachers and students an opportunity to use all their class time to perfect their routines and have their photos taken in costume for solo and group shots.

Please ensure your child arrives 20mins BEFORE scheduled time; **bring your costumes (hair and makeup should be on before class)** this should allow for a smooth-running timetable throughout the day which will be given out soon.

All photos will be available **online** for purchase and each student will receive this information on the day.

TROPHY PRESENTATION

2019 Perpetual trophy winners need to bring their trophies with their names engraved on Dec 12th. As we will be presenting and filming the 2020 winners after the performance.

NEW TROPHIES

As we all know Covid 19 has put a stop to all our fundraisers this year and some of our Trophy's need replacing as they are full of so many winners' names from previous years.

The approximate cost for a new trophy is \$200, any business or family that would like to donate a new trophy will be recognised on that individual trophy. Please see Miss Fleeton if you are able to help out with this request.

TAP EXAMS

Also, in Sept. this year many of our Tap students took their Tap N Beats exams. It was an awesome day and great to see all the students coming out of their exams with big smiles (especially our Pre-Stage) they all had lots of stories to tell. Thank you, Miss Angie, for getting them all ready. Results will be given out during their tap class the week of Nov 9th.

CHRISTMAS SHOWS

Amongst all the craziness of 2020 we have been asked to perform our wonderful Christmas shows in some shopping centres adhering to Covid restrictions of course.

Rehearsals will begin **Saturday Nov 7th** at our Punchbowl Studio at 2pm. Please give your names to Yanya or Joanne (our studio coordinators) if you are interested in being apart of these performances.
